They Found King Tut!

In November 1922, a man named Howard Carter found a secret tomb in Egypt.

Inside was gold, jewelry and treasure. It belonged to a young king named Tut.

People all over the world talked about it for years.

Shine On, Harvest Moon

Shine on, shine on, harvest moon
Up in the sky;
I ain't had no lovin'
Since January, February, June or July.
Snow time ain't no time
To stay outdoors and spoon,
So shine on, shine on, harvest moon,
For me and my gal.

FOR STAFF • DON'T COPY FOR RESIDENTS

Running a 20–30 minute group with this issue

1. **Warm up (5 min).** Read the front page aloud. Ask: “Did you ever see the King Tut exhibit, or another famous museum treasure?”
2. **Years ago (10 min).** Pick two stories from page 2 and read them. Use the question under each one. Show the pictures up close.
3. **Do you remember? (10 min).** Hold up the soda fountain picture. Ask one question at a time and give plenty of time to answer.
4. **Hometown (5 min).** Read one hometown story. Invite people to share where they grew up.
5. **Sing-along (5 min).** Sing “Shine On, Harvest Moon” together. Most groups know the words by heart. A recording is easy to find online.
6. **Quiet time.** Hand out the coloring page and word search for anyone who wants them.

MAKE IT A THEME DAY

Theme: **The Soda Fountain.** Serve root beer floats or ice cream sundaes, play 1950s music, and set out paper straws and checkered napkins. Ask a resident who worked at a counter to tell a story.
